Diversion of funds by States

1831. SHRI RAVULA CHANDRA SEKAR REDDY: Will the PRIME MINISTER be pleased to state:

(a) whether Planning Commission has found discrepancies in working of power reforms initiatives launched a few years back where funds allocated to States have been found to be diverted elsewhere; and

(b) if so, what corrective steps have been taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI SATYABRATA MOOKHERJEE): (a) No case of diversion of funds under Accelerated Power Development Reform Programme (APDRP) by States has been reported to Planning Commission. The programme is monitored by the Ministry of Power and the current status of funds released and their utilization is attached for information as statement (*See* below).

(b) Does not arise. However, to ensure that there is no delay for release of APDRP funds by the States to State Electricity Boards (SEBs)/ Utilities, this is being monitored by a Steering Committtee under the Chairmanship of Secretary (Power), which also has representatives from Planning Commission and Department of Expenditure. In the last Steering Committee meeting held on 28-11-2003, it was decided that:

i) In specific cases of delay on the release of APDRP funds, Ministry of Power would inform Ministry of Finance for making it mandatory before release of normal assistance by Ministry of Finance.

ii) To write to all State Government that they give their consent with approval of the State Finance Department for release of APDRP funds to the implementing agencies.

iii) To withdraw the sanctions of APDRP where State Governments have not released funds.
